

Introducing

BPI

BizKo

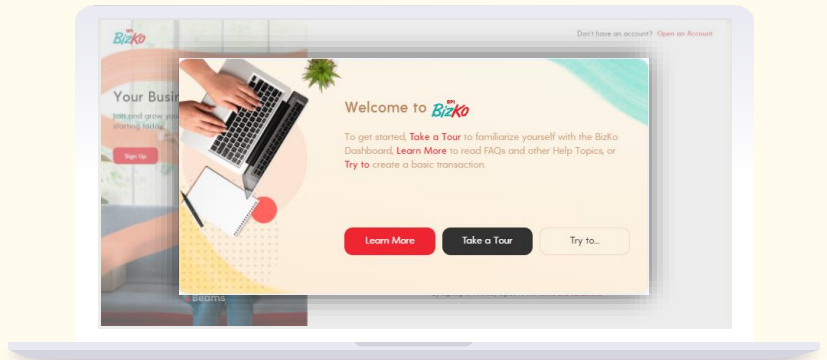

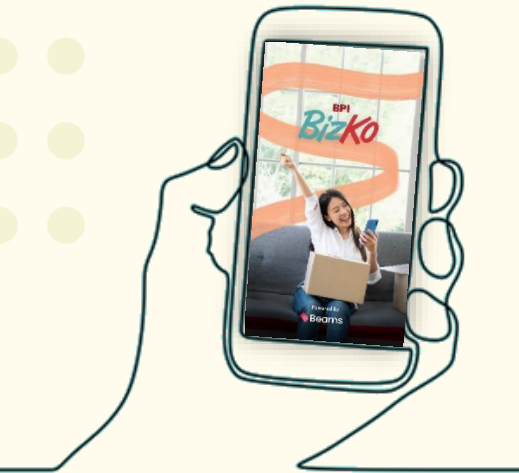

the app for your day-to-day business needs
at ang bagong partner mo sa iyong negosyo.

[Let's get started!](#)

What is BizKo?

BizKo is your app for your day-to-day business needs. With affordable subscription plans, you can view your accounts, manage your expenses and receive payments from your customers anytime of the day, wherever you are.

www.bpibizko.com

With BizKo, you can:

- **Manage all your accounts** and generate a report of all your financial transactions
- **Monitor your collections and payments** on a daily, weekly and monthly basis
- **Pay your employees** on time and create/edit payslips for every credit
- **Pay your suppliers** by instantly transferring funds to their accounts with BPI or any other bank
- Choose from more than 300 merchants for **payment of your bills and government dues**
- **Send invoices, request money and payment links** to your customers for easier payment options
- **Track all customer payments** online

How do I qualify as a BizKo user?

BASIC SOLUTIONS

I am looking for an app that can provide **basic payment and collection solutions**.

SINGLE OPERATOR

I **operate** my own business, I **create and approve** all my financial transactions.

NO ADB REQUIREMENT

I need to have available funds for my day-to-day operating expenses so I **prefer to pay fees** for services to be availed, **instead of maintaining an ADB** in my BPI account.

BPI ONLINE

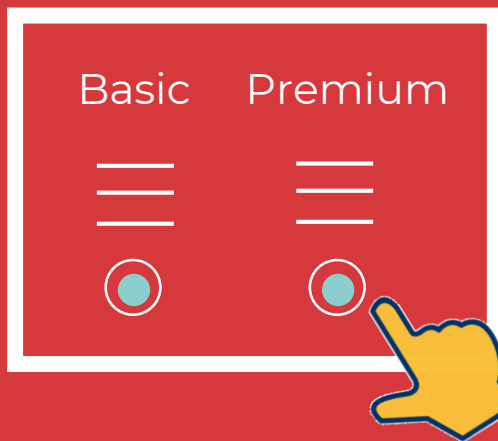

I have a **BPI Online account** and I use my personal accounts for my business.

What are the **BENEFITS** of BizKo?

HASSLE-FREE *enrollment*

No need to fill-out application forms or visit a branch, just download the app from the App Store or Google Play.

AFFORDABLE *subscription plans*

You can start using BizKo for a minimum subscription fee of Php 50 per month. No maintaining balance required.

ALL-IN-ONE *solution*

Say goodbye to manual payments and collections, you can do all your business transactions with just a few taps, all in one app!

You even have access to a 24x7 chat facility.

SAFE AND SECURE *transactions*

Security measures such as One-Time PIN and transaction confirmation sent to your registered email address are in place to protect your accounts.

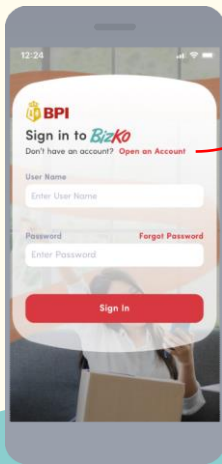

How do I start using BizKo?

1 **DOWNLOAD** BizKo from the App Store for iOS device or Google Play for Android device.

You may also visit www.bpibizko.com if you are using a web browser.

2

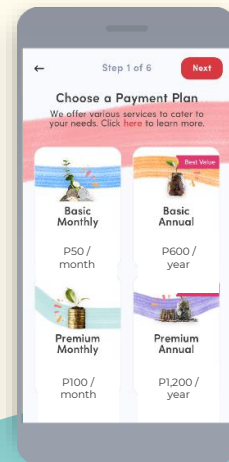

Open an Account

Tap **OPEN** an account and provide your BPI Online Banking account details. This will allow BizKo to process your business transactions using your existing BPI accounts.

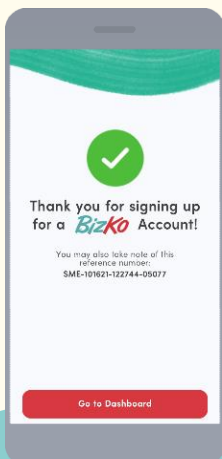

CHOOSE a subscription plan and nominate your BizKo username and password.

3

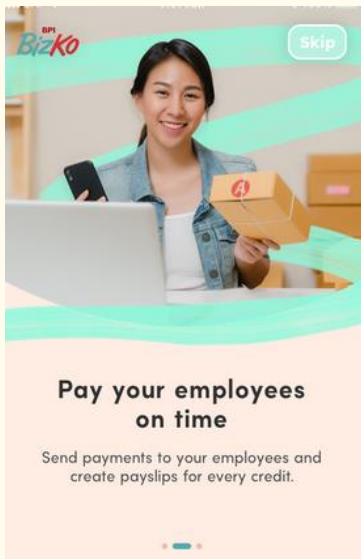

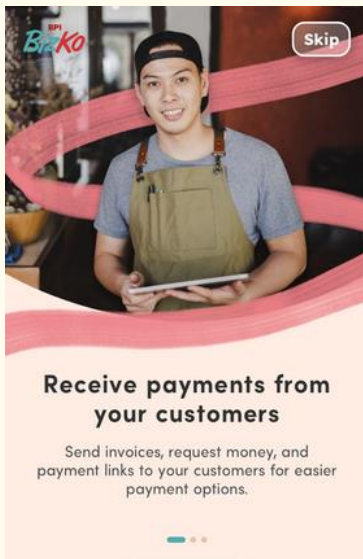

REVIEW and **CONFIRM** your account details.

4

You can now **START** using BizKo!
